Teaching Cycle A

Academic Year – 2018 – 2019 Term - AUTUMN

Learning Principles	RELATIONSHIPS We learn with and from each other showing respect, kindness and forgiveness valuing everyone equally. INDEPENDENCE We think, speak and act for ourselves. We take responsibility for our learning and work effectively with others and on our own. PERSEVERANCE We enjoy working hard and being challenged. We use mistakes and feedback to improve our learning and develop a growth mind-set. EXPERIENCES We learn from a range of great books and experiences. These help us develop knowledge; understand emotions and opinions, while developing an appreciation of learning. PASSION We are cared about and our individual interests nurtured. We are supported and encouraged to approach all opportunities with enthusiasm and positivity.
