Dear Parents & Children

Well done to everyone who spotted our April fool this morning. There were a few clues in the letter as highlighted below in yellow.

Dear Parents & Children

Good morning. I hope you are all safe and well this morning.

We have been provided with seeds to share with all our families so they can grow doughnut plants at home.

There are two varieties available. One is an indoor variety that will thrive in a warm sunny spot of your house in a regular size plant pot. The other is for outdoor use as they can grow to about the same height of an average sunflower plant.

Each packet contains approximately 10 seeds.

So we can send you the most appropriate variety of seeds please can you email either admin@spofforth.n-yorks.sch.uk or admin@follifoot.n-yorks.sch.uk stating how many packets and which variety you would like.

Many thanks to Mrs P.R Tend and Mr A.P Fool for the seed donation. Happy growing.

Best wishes.

Yours sincerely

Mr Paul Griffiths

Thanks to everyone who played along and came up with their own. A couple of my favourites were the person who is going to plant the seeds next to the money tree in their garden, someone who sent their child around the house searching for the non-stick glue and the coffee tree (below).

Best wishes.

Yours sincerely

Mr Paul Griffiths
