

Dear Parents and Guardians,

We are pleased to be hosting a 'virtual' sports day on **Friday 10th July**. All of our children are welcome to join in with this. Their efforts will count towards their team's final score to give an overall winning team as we would do if we were in school. This will allow the children to compete against their peers and also work as part of a team in a competition setting.

We will be running the competition in school on Friday 10th July with pupils in school but the events and results submission forms will be left open until **4pm on Tuesday 14th July**. If your child/children are learning from home this allows you to join in flexibly. The rules and tasks will be sent out on **Monday 6th July** to give you chance to see what is involved and gather/ prepare any resources. We have kept these to a minimum and given alternative ideas for when doing this at home. We'd love to see pictures of you participating to add to the school website too.

I am looking forward to enjoying sports day together, even if it is a little different from normal.

Please don't hesitate to get in touch if you have any questions.

Best wishes

Mrs Bearman
