

## **Spofforth School Nursery Registration Preference**

***Please be aware that admission to Early Years Nursery does not guarantee admission to Spofforth CE (VC) Primary School.***

Please complete both sides and return this form to the school office by mid April, in the year in which your child is wishing to start Nursery.

Nursery and Reception children are taught in the same classroom and Nursery places are available for one year from the September prior to them starting school. We will make final session allocations once we have confirmation of the number of Reception starters, which is typically confirmed to us around the end of May.

Due to high numbers, there are occasions where we are not able to accommodate all your preferences.

In the event of not being able to offer everyone their preference, places will be allocated according to NYCC Nursery Admission Criteria [click here for further information: earlyeducation-places-funding-and-entitlement](#)

All children are entitled to 15 hours of government funding however some parents will qualify for Extended Funding of up to a further 15 hours. Please see the childcare choices website for details of how to apply for this: <https://www.childcarechoices.gov.uk/>.

When you receive confirmation of your child's place at Nursery, please download an Admission pack from the school website and return this to the school office. If you need a hard copy of the Admissions Pack please email your request to: [admin@spoffoth.n-yorks.sch.uk](mailto:admin@spoffoth.n-yorks.sch.uk)
