

LONG TERM PLANNING SINGLE SUBJECT OVERVIEW

Subject – Science

		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1 & 2	Annual Cycle A	Animals including Humans (Y1 P.O.S., Human Focus)		Animals including Humans (Y2 P.O.S, Human Focus)		Plants (Y1 ad Y2 P.O.S.)	
	Annual Cycle B	Everyday materials and their uses (Y1 ad Y2 P.O.S.) Seasonal changes – summer into autumn, autumn into winter.		Seasonal changes (winter into spring)		Living things and their habitats Seasonal changes (spring into summer)	
Year 3 & 4	Annual Cycle A	Rocks	States of matter	Forces and magnets		Light	Electricity
	Annual Cycle B	Animals including Humans (Y3 and Y4 P.O.S.)		Sound		Plants	Living things and their habitats
Year 5 & 6	Annual Cycle A	Light	Electricity	Earth in space		Living things and their habitats (Y5 and Y6 P.O.S.)	
	Annual Cycle B	Properties and changes of materials		Force	Animals including humans (Y5 P.O.S.)	Animals including humans (Y6 P.O.S.)	Evolution and inheritance.

Note: Working scientifically is a common thread throughout each topic. Please refer to Long Term Science sequence for which aspects to focus on in which topics.

2024-2025 – Cycle A
