Follifoot CE Primary School's Designated Safeguarding Team

If you are concerned about the safety of any child in our school, you must report this to our Designated Safeguarding Lead (DSL), Mrs Catherine Bromley or the Deputy Designated Safeguarding Leads (DDSL) Mrs Zara Chantler and Mrs Sarah Giddings

General School News

SCHOOL NEWS

School drop off/pick up

Could I remind parents that children should be dropped off and picked up at school via the gate on Main Street and not via the staff car park. This entrance is only to be used for children who are being brought into school late where they need signing in or if leaving for appointments during the day where they need signing out. Thank you for your co-operation.

Sharing Assembly

Follifoot pupils delivered a wonderful sharing assembly on Monday where they shared their science work on plants and electricity and Class 2 gave us a great performance of one of their songs from their upcoming play. Thank you to all parents who attended it was lovely to see so many of you there.

Uniform Sale

There is plenty of uniform left, looking for new homes! If you would like anything in particular, please send requests to FoFs:

friendsoffollifootschool@outlook.com In return they ask for a donation towards the FoFs fund. You will also be able to buy uniform at Follifete.

Class One Update

We have been looking at the life cycle of a seed, and the stages it goes through, starting with germination and what happens afterwards when roots start to grow. We also planted our own sunflowers, and they are growing really well, we are keeping them watered and in the sunlight. They will be sent home in the next week to look after at home.

We also grew our own cress and put 4 lots in different areas of the classroom, and we have found cress grows best with water and actually not direct sunlight, but some light like in a classroom area. Direct sunlight can stunt its growth especially if it is too hot. We also looked at different types of trees, deciduous and evergreen and the children can identify the type of trees that surround us.

Little owls also made a lovely display of a sunflower plant and have labelled it on the display wall.

Gardening Club

This week the children picked elderflowers and started the process of making elderflower cordial.

Supported by Spofforth WI and Spofforth in Bloom

Part Time Teacher Training

Thinking about a career in primary teaching but need flexibility? Our part time course is perfect for parents and career changers with a degree. You can continue working part time while training with us to gain Qualified Teacher Status and a PGCE from the University of Leeds.

We understand life is busy, so our two-year course is designed with your commitments in mind. With tailored school placements, a clear calendar and professional training days, you'll be fully supported every step of the way.

Part Time Courses Offered

Primary 3-7

Primary 5-11
